The Competitive Strategy Interest Group (IG) is pleased to offer a research focused junior faculty and paper development workshop at the 2013 Strategic Management Society meetings in Atlanta, Georgia. Although all members of the Competitive Strategy IG are invited to participate, preference will be given to junior faculty who defended their dissertations after September 2008.

This workshop will include panel discussions and breakout sessions. Senior faculty panels will discuss critical aspects of the research and publication process, ways to craft a successful research program, future directions in competitive strategy research, and other questions of concern for junior faculty. A breakout session will provide opportunities for participants to discuss and receive feedback on their work in an informal setting.

The co-chairs of the faculty panel are Giambattista Dagnino (University of Catania, Italy) and Rahul Kapoor (Wharton School). The senior faculty participants who have confirmed their presence for this year are Bert Cannella (Arizona State U.), Laura Cardinal (Houston), Marvin Lieberman (UCLA), Rich Bettis (University of North Carolina-Chapel Hill), Margie Peteraf (Dartmouth), Anita McGahan (Toronto) and Harbir Singh (Wharton).
